

Grade Appeal

Students must first visit with the instructor of the course in question. Please initiate the appeal by completing this form in its entirety only if you have spoken with your instructor and were not satisfied with the result or if the instructor is no longer employed by PSU. An unanswered question, a blank space, inability to provide supporting documents, or a missing signature stops the appeal process.

The appeal form must be submitted to the appropriate academic department office no later than six weeks after the beginning of the fall or spring semester immediately following the semester in which the grade being appealed was received. Additional work after a final grade was submitted cannot be used to change the grade.
